## TOWN WARRANT

Article 1. To hear the report of the finance committee and act on same.

Article 2. To act on report of the town officers.

Article 3. To see if the town will appropriate a sum of money for the Public Library including the dog fund.

Article 4. To fix the compensation for the collector and treasurer for the ensuing year.

Article 5. To choose all necessary town officers, one selectman and overseer of the poor for three years, one assessor for three years, one school committee member for three years, one trustee of library for three years, one burial ground commissioner for three years, town treasurer for one year, collector of taxes for one year, auditor for one year, three fish wardens for one year, moderator for one year, tree warden for one year, seven constables for one year, three oyster wardens for one year, and also to bring in your ballots on the question, "Shall licenses be granted for the sale of certain non-intoxicating beverages in this town?" The form of ballot to be "Yes" or "No".

Article 6. To see if the town will vote to authorize the town treasurer, with the approval of the selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1937, and to issue a note or notes payable therefor within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws.

Article 7. To raise and appropriate sums of money for highways and bridges.

Article 8. To raise and appropriate a sum of money for schools, including supplies, high school tuition, salary of superintendent, transportation of scholars, and repairs on buildings.

Article 9. To raise and appropriate a sum of money for salaries of town officers, incidentals, interest, fire department, public welfare, old age assistance, and soldiers relief.

Article 10. To choose a memorial committee and appropriate a sum of money for the same.

Article 11. To raise and appropriate a sum of money to be expended in suppressing the gypsy and brown tail moths, including private work.

Article 12. To raise and appropriate a sum of money to be used in the cemetery and the care of the graves of soldiers and sailors.

Article 13. To see what action the town will take in regards to wages of labor. *✓*

Article 14. To raise and appropriate the sum of ~~\$619.45~~<sup>1424</sup> for the Bristol County Tuberculosis Hospital maintenance and repair.

Article 15. To raise and appropriate the sum of \$1,461.55 for snow removal in the year 1936.

Article 16. To raise and appropriate the amount of the State and County Tax.

Article 17. To see what action the town will take in appropriating the overdrafts in the following departments:

Town Officers	\$ 146.27
Fire Department	59.30
Miscellaneous	11.67
Mothers Aid	41.46
Public Welfare	1,096.00
	<hr/>
	\$1,354.70

Article 18. To see if the town will raise and appropriate the sum of \$500.00 for E. R. A. note.

Article 19. To see if the town will vote to authorize the members of the Board of Selectmen and Finance Board to act as a committee to draft a set of by-laws for the town and appropriate a sum of money to cover the printing of same or take any action relative thereto.

Article 20. To see if the town will vote to discontinue certain unnecessary printing in the Town Report. 

Article 21. To see if the town will vote to raise and appropriate a sum of money for the purpose of buying fire equipment or to take any action relative thereto. 

Article 22. To see if the town will raise and appropriate a sum of money to improve Locust Street and Algerine Street, or act thereon. 

Article 23. To see if the town will raise and appropriate a sum of money for the construction of an addition to the Berkley Grammar School substantially in accordance with plans on file with the school committee, appoint a com-

mittee to supervise the construction, determine whether the money shall be raised by borrowing or otherwise, or take any action relative thereto. ~~x~~

Article 24. To see if the town will vote to set a definite sum to be paid as salary to the board of assessors or to take any action relative thereto. ~~x~~

Article 25. To see if the town will raise and appropriate a sum of money for W. P. A. purpose or act thereon. 1000 ~~x~~

Article 26. To see if the town will authorize the selectmen to sell the canning equipment owned by the town or act thereon. ~~x~~

Article 27. To see if the town will raise and appropriate \$600.00 for further repairs on the Berkley-Dighton Bridge as per specifications from the State Department of Public Works.

Article 28. To see if the town will vote to raise and appropriate a sum of money to insure town employees against accidents.

Article 29. To act on any other business that may come legally before the meeting.

Article 30. To elect a finance committee.

TOWN MEETING, MONDAY, MARCH 8th, 1937, at 10 o'clock A. M.

*To see if the town will accept a loan as drawn up by the selectmen and finance committee*

The accounts of the Town Treasurer are correct and I find on file the necessary warrants for payments.

The Tax Collector's accounts have been examined and notices sent to all persons listed as owing taxes.

I wish to express my appreciation for the assistance given by the various officials during the audit.

I hereby certify that the information contained in this report is complete and correct, to the best of my knowledge and belief.

FRANCIS F. G. ANDREWS,

Town Auditor.

**LIBRARY BASEMENT****Receipts**

ANNUAL REPORT  
OF THE  
School Committee  
OF THE  
TOWN OF  
BERKLEY

YEAR ENDING DECEMBER 31, 1936

**SCHOOL COMMITTEE**

Term Expires

Arthur E. Robbins, Chairman  
Berkley, Massachusetts

1938

Mildred E. Babbitt, Secretary  
Berkley, Massachusetts

1939

Stephen A. Dow  
Myricks, Massachusetts

1937

**Superintendent**

Norman D. Bailey

Residence: 76 Spring Street, North Dighton.

Office: Dighton High School, Segreganset.

Telephone: Dighton 98.

Office Hours: 7:45-8:45, and by appointment.

Office Opens: 7:30-5:00 School Days, 9-12 Saturdays.

**Secretary**

Jessie A. Perry

**School Physician**

Charles A. Briggs, M. D.

**School Nurse**

Ruth Deane, R. N.

## REPORT OF THE SCHOOL COMMITTEE, BERKLEY

To the citizens of Berkley:

During the year 1936 your school board's chief concern has been the problem of providing more satisfactory housing conditions for the pupils of the first and second grades who meet in the town hall. A building committee comprising the school committee, superintendent of schools, and selectmen has made repeated contacts with the Fall River officer of the W.P.A. and the State Department of Education in an attempt to have approved a project calling for a two-room addition to the Berkley School, which has been turned down because of a lack of funds at the Fall River office.

William J. O'Keefe, Supervisor of Statistics and Research of the State Department of Education, met with your committee in October and investigated the housing conditions in Berkley. As a temporary measure, Mr. O'Keefe suggested the use of the library basement. At a special town meeting your committee was refused the privilege of using the library basement for school purposes. There are no prospects of receiving aid through the W.P.A. Here is a problem that must be met in the near future. Your committee fully realizes the town's financial condition; if, however, we are alert to provide the best in education for our boys and girls it would seem that the only satisfactory solution to the problem is an addition to the Berkley School.

In April, Norman D. Bailey was reelected to the superintendency of the district for a three-year term by a unanimous vote of the Joint Board.

At a joint board meeting of the Dighton-Freetown-Berkley Union held in July it was voted to annex the town

of Gosnold to the union. The present set-up provides for the payment of salary and travel of the superintendent on the following basis: Travel: Gosnold 18%, Berkley 13.6%, Freetown, 27.4%, and Dighton, 41%. Salary: Dighton 64.05%, Gosnold 6.76%, Berkley 9.73%, Freetown 19.46%.

The resignation of Rose Walsh, teacher at the Berkley School, was received in July. Leo Garrepy, a graduate of Fitchburg Teachers College, was elected to the position, the only change in the teaching staff for the year.

The school committee meets regularly on the Wednesday preceding the first Saturday of the month at 7:30 at the Berkley School.

The committee recommends that the town appropriate the sum of \$22,444.70 for school expenses for the year 1937. The itemized budget follows:

General Control	\$ 741.00
Teachers' Salaries	7,966.20
Transportation	5,400.00
Janitors' Salaries	1,100.00
Miscellaneous Operation	150.00
Fuel	625.00
Repairs	150.00
Health	515.00
Tuition	5,202.50
Books	275.00
Supplies	300.00
Miscellaneous	20.00
	<hr/>
	\$22,444.70

Respectfully submitted,

MILDRED BABBITT,  
Secretary, School Committee.

## **REPORT OF SUPERINTENDENT OF SCHOOLS**

To the Berkley School Committee:

Mrs. Babbitt and Gentlemen:

It is my privilege to submit to you and through you to the citizens of Berkley my seventh annual report as superintendent of schools in the town. As in previous years, I have attempted in this report to point out those things which would seem to be of general interest to the citizens of the town.

### **I—TEACHING STAFF**

The vacancy caused by the resignation of Miss Rose Walsh of the Berkley School was filled by the appointment of Leo A. Garrepy of Worchester, a graduate of Fitchburg State Teachers' College. Mr. Garrepy came to us with satisfactory experience and has started in well in his work.

### **II—W.P.A. PROGRAM IN EDUCATION**

A Nursery School organized under the W.P.A. Program in Education and under the supervision of the Massachusetts State Department of Education has been maintained. The housing situation for the class in the basement of the Berkley School has not been ideal but since attendance at the class is entirely voluntary, no child has been in attendance unless the parent was willing to put up with the existing conditions. The classes have been supervised locally in this superintendency union by Mrs. Louise C. Welch whose work has been untiring in the effort to surmount government red tape and provide a functioning program. In the class the enrolment has numbered about twenty, altho' due to crowded busses it has not been always possible to maintain this attendance.

Since the classes are on a state project we are permitted to transfer teachers within the supervisory district. The following paragraphs are taken from the report of the supervisor to the superintendent.

Children from two years to five years of age are eligible to enter these classes and by special permission we may take children over five years of age provided the children in the lower age group have been taken care of first. These classes are established primarily for the under-privileged child but we are not restricted to this group alone.

Under the regulations as laid down by the Federal Government we must not conduct these classes as regular school kindergartens. We are a pre-kindergarten unit. We must not at any time take up work with these children which belongs to the first grade teacher. The value of these classes for the most part is to give the child a chance to adjust himself to a daily routine, to establish good health habits, to wait on himself as far in as he is able, to learn to use the large and small muscles of his body, to think for himself, and to adjust himself to playing and working with other children.

Under the regulations of the Federal Government we are expected to operate on a two-session basis with a hot noon meal and afternoon naps for the children. The government furnishes the money for the food for this noon meal at the rate of ten cents per day per child. It is the job of the head teacher in each unit to see that an attractive and nourishing meal of well-cooked food is served each day on this basis. It is being done exceptionally well. After observing the noon meal in other places I feel certain that the meals served in our nursery schools are as well planned and cooked as any that I have seen elsewhere.

The government also furnishes folding cots for the children in order that they may have an afternoon nap. We have cots enough for every child enrolled. The government also furnishes teaching material for seat work such as construction paper, newsprint, crayons, paints and easels, scissors and other small items. We may get some toys and tools if we so desire.

These classes operate at no cost to the town for teachers' salaries, teaching and play materials, food and cots. The school department of the town does furnish the necessary rooms and school furniture, heat, light, and janitors' service and we as teachers under the program appreciate this very much.

### III—ADDITIONAL ROOM

The serious overcrowding of the Berkley School has been a matter of concern for some time to those interested in the welfare of the schools. The story of our efforts to secure assistance in meeting the cost of such a step first from the Public Works Administration and later from the Works Progress Administration is a familiar one to most of the citizens of Berkley. I am, however, going to recount the steps taken in chronological order.

A. Project submitted to the Public Works Administration and finally transferred at their direction to the Works Progress Administration because the total amount came beneath the P.W.A. minimum of \$25,000.

B. Project submitted and held in Fall River office.

C. Project finally sent thro' to Washington and presidential approval received and money allocated.

D. Project held in Fall River District Office because of lack of available money in Fall River district quota.

E. Visit by town Board of Selectmen to Fall River in company with School Committee and superintendent without result.

F. Visit to Commissioner of Education by Board of Selectmen and School Committee to enlist his support.

G. Final conference in Fall River without result.

The fact still remains that adequate facilities are sorely needed. The town should, if in any way possible, find the means to provide additional room. If in connection with the program facilities could be so arranged to make a double class room convertible into an auditorium for school and town purposes, the value would be greatly enhanced not only to the school but to the townspeople.

In a separate article in the town warrant the voters are asked to consider the proposition of providing additional school rooms. May I suggest that the proposition be studied by the citizens carefully both in the light of the needs of the boys and girls and of the financial capabilities of the town.

## HIGH SCHOOL PUPILS

Berkley pupils are taking a very active part in the life of the Dighton High School. Enrolment at the Dighton High School has increased from 264 in 1935-36 to 312 this year. To the staff of the school have been added an additional commercial instructor, a specially trained instructor for girls' physical education, and a music instructor, the latter on part-time. The superintendent believes that the

level of instruction has been high and that the pupils have been well taken care of in subject instruction as well as in the matter of extra-curricular activities, health examination and guidance service. Parents are cordially invited at any time to consult the principal, Mr. George R. Austin or any member of his staff.

### THE 1937 BUDGET

The financial problem in Berkley is always a serious one. The state aid received by the town is no mean factor in the support of its schools. In 1936 this amounted to \$13,059.77. The following table shows the actual cost of schools to the town.

Year	Expenditures	Reimbursements	Net Cost
1934	22,900.77	13,081.02	9,819.75
1935	23,539.28	12,871.87	10,667.41
1936	22,177.79	13,059.77	9,118.02
1937 (estimate)	22,444.70	15,025.00	7,419.70

In the matter of cost of high school education the following figures are available.

	Tuition	Reimbursements	Net Cost
Year 1935-36	4,715.70	2,522.78	2,192.92
Year 1936-37	4,965.00	3,640.00	1,325.00
If old set-up 1936-37 (pupils in Taunton)	7,500.00	4,005.00	3,495.00

With the above figures in mind it is hoped that the budget presented will be adopted by the town meeting since with this amount we shall be able to carry on a satisfactory school program.

### CONCLUSION

Although it is one of the towns listed by the state as least able to support a school system the town has reason

to be proud of the work being done both at Berkley and Myricks.

The meetings of the Committee have been regular and harmonious and in concluding this report I would express my sincere appreciation to the committee for its continued confidence and sincere interest in the schools.

Respectfully submitted,

NORMAN D. BAILEY,  
Superintendent of Schools.

## ANNUAL REPORT OF THE SCHOOL NURSE AND SCHOOL PHYSICIAN

Mr. Norman D. Bailey,  
Superintendent of Schools,  
Berkley, Massachusetts.

Dear Sir:

We hereby submit the annual report of the School Physician and the School Nurse of Berkley.

An epidemic of German Measles, which occurred in Berkley during March and April was the cause of at least 1/3 of the school population being ill.

The dental clinic held last June was not as well attended as was hoped for. If permission is received for a similar clinic during the coming year we hope more pupils will take advantage of the service offered.

The Chadwick Clinic, held this fall, was well attended. It is at this clinic that the Von Pirquet, or skin testing for suspected tuberculosis is done. Chest X-raying of 18 pupils showed that 6 pupils should be re-X-rayed next year. No active tuberculosis was discovered in any pupil. Two pupils who attended the Health Camp in Attleboro during the summer were chosen from the follow up group. The money realized from the sale of Tuberculosis seals at Christmas time, helps to defray the expense of the children's four weeks stay at camp.

A very successful Well Child Conference, sponsored by the Parent-Teachers Association of Berkley and Myricks and the local Board of Health, was held in September. All children of the Town ranging in age from 6 months to 6 years, were invited to attend. Dr. Sallie Saunders, who was in charge of the conference, gave a physical examination

and advice to the parents on dental care. Expert nutritional talks, taking into account each child's individual problems, were given by Miss Dorothy Frank. The service offered through this conference was greatly appreciated by all who attended.

The annual physical examinations were given by Dr. Briggs in October. As usual, the greatest number of defects were enlarged tonsils and adenoids. So many physical diseases are caused by these, we hope more parents will try to have these defects corrected.

The need of an annual clinic for Immunization against diphtheria is being expressed by many parents. We hope to receive permission to conduct such a clinic within the near future. This immunization is of great value in protecting the health of young and old, in the town.

We wish to thank the organizations of the town who have helped us in our work and the teachers for their co-operation.

Respectfully submitted,

CHARLES A. BRIGGS, M. D.

School Physician.

RUTH A. DEANE, R. N.

School Nurse.
